

What is SL Mission Camp?

In 1993, Student Life was founded by experienced youth workers who wanted to provide an exciting opportunity for churches to connect with God and each other in an intimate camp setting. With top quality teaching and incredible worship bands, Student Life Mission Camp combines a great combination of camp experience and missions. Student Life Mission camp provides an opportunity for students to have a meaningful experience of serving others while also getting an opportunity to grow in their personal walk with Jesus Christ. Student Life's goal is not just to entertain, but to bring the teachings of Scripture to life.

During Student Life Mission Camp, students from our church will serve as a group in one or more of the following fields: Children, Elderly/Disabled, Light Construction/Painting, Physical Need. Through these fields, students will have opportunities to reach communities with the message of God's love through service. And by helping to change a community, they might find out that God wants to change them too!
